## CHARLIE'S SEMILLON SAUVIGNON BLANC 2016

### In a nutshell

This elegant and vivacious wine is filled with lifted aromatics of fresh gooseberry, cut grass and some light tropical notes resembling passionfruit and lychee. The palate is crisp and dry with some lovely zesty attributes filling out what is a very smart and sophisticated classic Margaret River white wine blend.

### The year that was

A late spike in the temperature prior to an early harvest ensured that the 2016 vintage in Margaret River was a exceptional for all white varieties, with Semillon and Sauvignon Blanc benefiting with intense varietal characters.

### Grown in

### Delicious with...
